RE: Coed Softball Tournament Schedule 2022

DATE: August 3, 2022

Enclosed is your copy of the Coed Softball 2022 tournament schedule.

Congratulations to the regular season league champions, *Digger's Casino*. Regular season league champions will receive a trophy. Trophies will also be awarded to tournament champions in both of the double elimination tournaments. In addition, sportsmanship trophies will be awarded to the teams that have displayed good sportsmanship throughout the season.

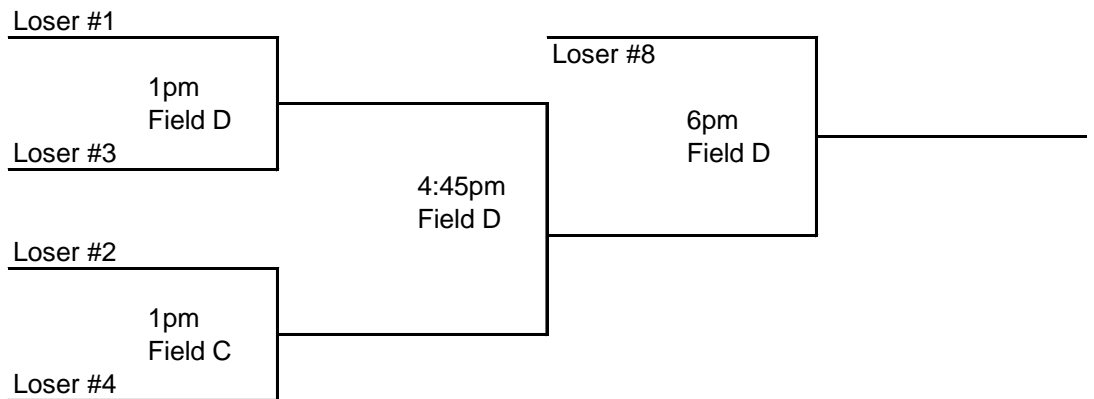

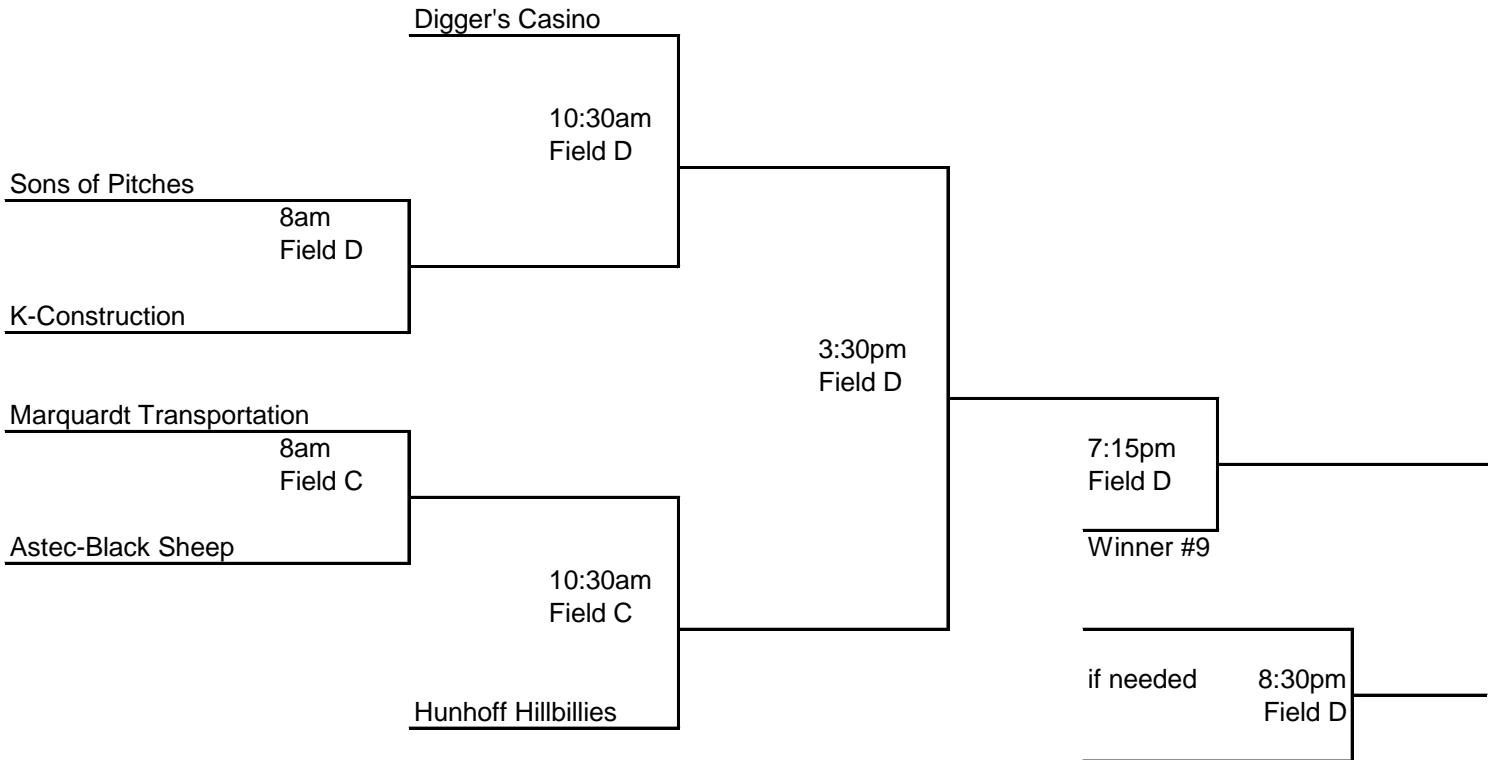

Tournament seeding is based on the results of the regular season. Please double check the tournament brackets to ensure you know when and where your team is scheduled to play. We hope to keep the tournament on schedule so please arrive 30 minutes before your scheduled time and come ready to play. Reminder, all players must have played in 3 regular season games to be eligible to play in the tournament.

All tournament play will utilize regular season rules. The tie breaker rule will be modified for the tournament and is as follows:

\*If there is a tie after 7 completed innings or after the last completed inning after the one hour time limit is reached, whichever comes first, one additional full inning will be played to break the tie. If after the extra full inning is completed and the game is still a tie, then an international tie breaker inning will be played. This will be a full 3 out inning with each team starting with a runner on second base, the runner being the last player who completed their turn at bat in the previous inning. An international tie breaker inning will continue to be played until there is a winner.

Thank you for participating this season and good luck in the tournament!
