Memorandum #22-161

TO: Mayor and City Commissioners
FROM: Amy Leon, City Manager
RE: Summit Activities Center Update, Next Steps
DATE: August 24, 2022

The City Commission welcomed hearing the community's thoughts and concerns regarding the future of the fitness area of the Summit Activities Center. After hearing the public comment and listening to their constituents regarding the importance of the facility, a Special Meeting was called by Mayor Moser to discuss the facility further and take action relating to the facility's operation in 2023.

The City Commission can choose to pursue closure of the fitness portion of the facility, continue to operate the facility with no changes, or continue to operate the facility while investigating opportunities to expand fitness and recreation programming with the assistance of outside entities.

Currently, the proposed 2023 budget reflects a transfer from the general fund to the Summit Activities Center. If the Commission votes to continue operating the facility as it does today, more of the second penny may need to be allocated to expenses outlined in Ordinance #1064. This direction will impact future maintenance and infrastructure projects.

Recommendation: Discuss and take action on the operation of the fitness area at the Summit Activities Center facility and provide staff direction.
