## **Director's Report-December 2022**

Another great year in the books! So many memorable library experiences to be grateful for this year. The library has a wonderful staff of caring and dedicated individuals that continue to strive to provide the best customer service and library experiences possible. We have had awesome partnerships in the community and great support from our Board, Friends and Foundation as well as from our patrons and community. We look forward to the opportunity to continue to grow, learn and have fun in 2023!

**Winter Reading Program:** This year the library will have a Winter Reading Program for youth from preschool through 12<sup>th</sup> grade. We want to encourage and nurture the continued love of reading through the cozy and cold winter months. This year's aim was to do this in the simplest way for both participants (and their parents) and our library staff. Everyone will receive a registration bag when they sign up which will include fun activities and crafts. They will then have 8 weeks to complete the program and log a total of 8 hours of reading. Upon completion, they will receive a prize bag full of goodies.

**Bonus Activities:** The library will be offering additional programs during the holiday break including board games & Wii, a Maker Day, and a Craft Buffet for all ages. There will be a special event for teens to take apart technology that no longer works to explore what's inside. If you have any old devices or small appliances around your home that you would like to donate for this event, please bring them to the library before December 23. Additionally, we will be hosting our first **Noon Year's Eve Party!** This will be a family event held on Friday, December 30 with fun games, crafts and activities. Participants will be encouraged to dress up and join in on a countdown as the clock strikes 12(noon).

**First Friday Coffee:** The Friends of the Library and the Library Foundation will begin a new event in 2023. Each month the groups will alternate hosting coffee at the library on the morning of the first Friday of the month. This will give each group an opportunity to visit with library patrons about supporting the library by donating to or becoming active members of the Friends or the Foundation. We have had many requests from various individuals to offer coffee in the library over the years. This will be a way to test the waters. There will be an opportunity to donate a free-will offering to the hosting group.

**Update on Progress for Accreditation:** We are aiming to achieve Exemplary Accreditation Status. We are currently at the Enhanced level and this will be up for renewal in December 2024. In 2022, our Board members participated in 14.5 hours of live training and 18.75 hours of online training. Topics included Active Shooter training with YPD, book bans and challenges, First Amendment Auditors and Library Board Trustee Training. The Board has completed 33.25 hours toward the 45 total hours required before the end of 2024! Other requirements the Board has achieved this year include reviewing and discussing the Strategic Plan, reviewing Bylaws, and reviewing and updating 2 library policies (AV policy and Computer and Internet Usage policy). Additionally, the Director and Board have created a new policy (Photography and Filming in the Library) after a relevant training and discussion.

The Library Director and Staff have also been working on other requirements over the last year such as making sure the website is up-to-date, evaluating programs, and submitting the Annual Report to the State Library. We are making good progress toward Exemplary Status. Thank you for your support and dedication!

**Library Closures:** The library will be closed on Saturday, December 24, Sunday, December 25 and Monday, December 26 for the Christmas holiday. The library will be closed on Sunday, January 1 and Monday, January 2 for the New Year's holiday. These closures will be slightly longer due to the holidays being on the weekends.

Doing a great job! 🚳

You guys are awesome!!

Great Service & help w/ interlibrary loans!

I love that you're able to do interlibrary loans if there's a book I want & not here -

When we were in lockdown the online library kept me sane. I'm grateful for that. Don't use it as much now but I know it is there and I will use it again.

Thank you for all you do!

Video game rentals:)

We <3 our library --thank you for all you do!

Wish there was a revival of the Scrabble saturdays.

It seems the library used to support the seed library program better. What happened?

I've always appreciated the willingness of the staff to help me find what I want, and their willingness to get it from another source if they don't have what I want. That's rare these days!

Homeschool activities during the day <3

You do a great job!!

Great library!! Friendly staff- keep up the good work!!

Victoria is the best children's librarian I have known! We will miss her! Love all the programs you offer!

Thank you for making the library a happy place again!

Love the book/puzzle sales

Keep up the good work.

You people are extraordinary. The level of customer service is remarkable. For years, my "local" library was the Library of Congress in Washington, DC. You folks surpass those standards of customer service and support. I wish we could triple your resources. Thank you.

I would like to attend a yoga class again since I missed out on the first class offered. Also, I would like to see more movies play at the library since it's the <u>only<u> theater we have in this town!

Thank you for the variety of hours you are open--for the door delivery services & friendly, helpful staff!!

Love going. Personnel is always friendly.

I have been very unhappy in the new children's book selections in the last few years. It's very clear there is a strong liberal agenda in the new books on the shelves, with no political diversity whatsoever. Just the fact that there even needs to be books like this presented to kids (displayed with covers out) really makes me disgusted sometimes, especially all the sexual picture books. I really do like coming here but this is a major thing that's bothered me recently and has bothered several other parents that I know in Yankton. For trying to clearly be more bodily diverse in the new books, there really lacks diversity in thought.

The last couple years, I've been disappointed with the propped up propaganda that is being shown on the children's book shelves. For example, books showing hairy adult bodies with boobs in underwear. My 3 year old shouldn't have to see naked adult bodies sitting on top of the book shelves in the children's sections! Its grooming material, we should not be normalizing children viewing naked adults! I've stopped bringing my children to the library because of it. Unless there is real change with what is promoted in the children's section, my family will not come back to use this library and we will warn family and friends away from using the Yankton library.

## All good! Keep up the good work!

Do you have an author sponsorship program where a library patron can volunteer to pay for new books by a favorite authors? The patron gets first use of the book for their donation and the library then has more money for other things. This can also work for movies, CDs, magazines, etc.

Customer service used to be better. Probably because of the turnover in employees, perhaps made worse by the plexiglass screens (which I am in favor of), there seems little contact between people behind the desk and the patrons. I sense no effort at all to learn people's names, for example, or even act as if you might ever have seen them before. Some employees rarely smile. That's too bad. More books! But I am old.:)
