# **FISCAL YEARS 2023 – 2027**

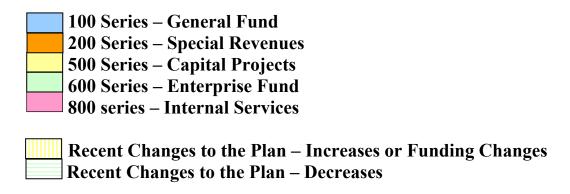

## **INTRODUCTION**

The Fiscal Year 2023-2027 Capital Improvement Plan (CIP) is an update of the City's annual capital improvement planning process. The five-year plan provides a schedule for capital projects and identifies funding sources.

The CIP is vital to the City of Yankton. It is a plan for physical improvements to public facilities / infrastructure and the purchase of capital equipment. The plan additionally has a positive economic impact on the local economy. The City Commission has recognized the importance of this planning process and annually engages in the preparation, review and adoption of the Capital Improvement Plan. Public meetings are held annually to review the five-year plan.

The five-year CIP is revised annually to include new projects, reflect changes in priorities and to extend the plan an additional year. The first year of the plan is the current year and is adjusted throughout the year as needs dictate or when changes are made to existing approved projects.
