Physical Area Description (map on the back)

i.e., 101 Broadway Ave, 400 block of Broadway Ave, East side of Adkins Dr from 30th Street to 31st Street

Please explain why you want or don't want sidewalk in this area

i.e., Does it connect two existing pieces? Do you have to cross the street to continue on a sidewalk?

Please outline on the map the areas you would or wouldn't like sidewalk
